### **Rep. Green Achieves 100 Percent Voting Record in State Legislature**

Hartford-State Representative Len Greene, R-Beacon Falls, achieved a perfect 100 percent voting record in the state legislature during the 2005 Legislative Sessions, according to statistics compiled by the clerk of the House of Representatives.

According to a statistical summary recently released by the General Assembly's House Clerks Office, Rep Greene is one of only 25 House lawmakers to record a 100 percent voting and attendance record during the 2005 legislative sessions. There are 151 members in the state House of Representatives.

"It has always been an honor to serve the people of Beacon Falls, Seymour and Ansonia at the Capitol," said Rep. Greene. "They deserve a state representative who takes their duties seriously. I've strived to vote on every bill presented in committee and on the House Floor in order to best represent the district."

Rep. Greene's 100 percent attendance and voting record also parallels his commitment to his committee work. He maintains an excellent attendance record as Ranking Member (House Republican Leader) of the Legislature's General Law Committee and as a member of the Public Safety and Homeland Security Committee and Environment Committee.
